## Consent Form & Rx Template 2022–23

## Section 3: Consent Given By Patient/Agent I, the undersigned client, parent or guardian, have read or had explained to me information about the flu shot as outlined on the Flu Shot Fact Sheet. I have had the chance to ask questions, and answers were given to my satisfaction. I understand the risks and benefits of receiving the flu shot. I agree to wait in the pharmacy for 15 minutes (or time recommended by the pharmacist) after getting the flu shot. I am aware that it is possible (yet rare) to have an extreme allergic reaction to any component of the vaccine. Some serious reactions called "anaphylaxis" can be life-threatening and is a medical emergency. If I experience such a reaction following vaccination, I am aware that it may require the administration of epinephrine, diphenhydramine, beta-agonists, and/or antihistamines to try to treat this reaction and that 9-1-1 will be called to provide additional assistance to the immunizer. The symptoms of an anaphylactic reaction may include hives, difficulty breathing, swelling of the tongue, throat, and/or lips. In the event of anaphylaxis, I will receive a copy of this form containing information on emergency treatments that I had received, or a copy will be provided to my agent or EMS paramedics. I confirm that I want to receive the OR I confirm that I want my child to seasonal influenza vaccine receive the seasonal influenza vaccine Date Signed (MM/DD/YYYY) Patient/Agent Name (& Relationship) Patient/Agent Signature PHARMACIST DECLARATION: I confirm the above named patient is capable of providing consent for seasonal influenza vaccine and that the seasonal influenza vaccine should be given to the patient.
